5K Race

Supporting The Elizabeth & Claire
LaPlante Foundation!

Welcome to the Inaugural 5K Race for The Elizabeth & Claire LaPlante Foundation!

TO OUR VALUED SPONSORS - WE THANK YOU!

The Elizabeth & Claire LaPlante Foundation supports 2 missions

1. Suicide prevention through an innovative approach to both assessment and urgent medical treatment of the acutely suicidal patient. This will be accomplished in a dedicated treatment center in the Morgantown area. With the increase in the national suicide rate, this leading-edge facility will bring hope to thousands of desperate patients and families in their search for relief from a devastating event.
2. Supports education and new pathways for the diagnosis and treatment of the potentially severe and even deadly acute Adenovirus infection. Left untreated, Adenovirus can result in a rapid and overwhelming illness that leads to long hospitalizations, ICU admissions and possibly death. The Foundation is committed to educating health care providers in developing new pathways for assessment and treatment options for patients with this virus.
