### To Support The Elizabeth & Claire LaPlante Foundation's 2<sup>ND</sup> Annual 5K Race!

Please join the Elizabeth & Claire LaPlante Foundation by supporting these lifesaving missions:

1. Suicide prevention through an innovative approach to both assessment and urgent medical treatment of the acutely suicidal patient. This will be accomplished in a dedicated treatment center in the Morgantown area. With the increase in the national suicide rate, this leading- edge facility will bring hope to thousands of desperate patients and families in their search for relief from a devastating event.
2. Supporting education and new pathways for the diagnosis and treatment of the potentially severe and even deadly acute Adenovirus infection. Left untreated, Adenovirus can result in a rapid and overwhelming illness that leads to long hospitalizations, ICU admissions and possibly death. The Foundation is committed to educating health providers in developing new pathways for assessment and treatment options for patients with this virus.
